- Knowledge of **printing processes and techniques**; basic proficiency in **markup** and **web development languages** (HTML, CSS, Javascript/jQuery).
- Strong knowledge of **typography**, **motion design**, **information design** and **animation**.

Other Activities & Hobbies

Music composition and production

I compose and produce music under the monicker Phephra. In 2020 I composed and produced [Insulated Works](#), an EP merging electronic, ambient and fourth world music. I have been experimenting with electronic, ambient, folk and classical music ever since. I also compose music in the independent videogame collective [Villa Delfina](#). In 2023 I [scored](#) the indie game [Gincana](#), taking care of the musical direction, composition, mixing and mastering. I appeared as speaker at Puntuale Festival at BIKO, invited by [19'40"](#), to talk about Gincana's soundtrack. I have also worked on the soundtrack of our new game [À La Carte](#). I play classical, acoustic and electric guitars.

Drawing and painting

I have been drawing and painting since a young age. I am skilled in pencil, charcoal, acrylic and oil. I attended drawing and painting classes at Accademia d'Arte San Nicolò in Ferrara, where I perfected still life and landscape painting (tempera & oil), from 2004 to 2014. I currently attend Saturday classes at [Milan Academy of Art](#), developing figure drawing skills and training with different techniques (pencil, charcoal, oil), since January 2023.
